

SCRIPTURE MEMORY GAME

From Victim to Victor

How to play: Print the card pages on cardstock and cut along the borders. Place all cards face down. Turn over two cards at a time and try to match each Scripture reference with its memory truth. When you make a match, read the passage aloud from your Bible before keeping the pair.

For groups: After a player makes a match, invite them to share why that Scripture matters or how it speaks to the chapter, season, or struggle they are walking through.

Memory challenge: Once the references become familiar, cover the truth cards and see whether you can explain the main truth of each passage from memory.
